Yes, that is fine. My EC 500 is on so, you should be able to just call my work number 312-886-1463. If you have problems my cell number is [Ex. 6 Personal Privacy (PP)]

Hi Cheryl,

We received a partial set of lab results from the Wisconsin State Lab of Hygiene (see attached). The results are for e. coli and nitrite-n for five sampling locations. The reports state that chloride, ammonia and nitrate results are pending.

We'll follow up with the lab if we don't get the rest of the results by early next week.

Thanks,

Daisy Wang
